PROFILE

Product leader with 9+ years across the full product lifecycle: business analysis, Agile delivery, functional leadership and product ownership. Currently Lead Product Owner for a 3-product enterprise suite on Hedera (carbon markets, supply-chain traceability, GenAI), directing a team of product owners. Led Flowgenix-AI, a multi-agent GenAI system that cut carbon-reporting onboarding from 4–5 months to 1–2 days. Delivery depth from 8+ years at Accenture across 12+ clients including Microsoft, Petronas, Google, Walmart and NTT DOCOMO; led Agile teams of up to 40. Brings product judgment grounded in delivery cost, and an AI-first way of working from discovery to release.
